The Idlewild camping season is three and a half weeks long, running from July 8 to July 31. The salary is \$1000 for the entire camping season. The paid staff will consist of one male and one female, and the duties will be assigned as needed by the camp directors. Duties will generally consist of EITHER being a cabin counselor for the week or serving as athletic/activities director. Additional duties (such as running the canteen or serving as lifeguard) may be assigned as well. Paid staff members are required to be available for all camping sessions. They are expected onsite by 3:00 p.m. on the first day of camp and should remain until noon on Saturday or until released by the camp director.

The above information is accurate to the best of my knowledge. I am available for all the camping sessions and agree to do my best to fulfill all duties and assignments given to me.
